TO: Chief Procurement Officer
FROM: Department of Environmental Services/Refuse Division
Department/Division/Agency

Pursuant to HRS §103D-306 and HAR Chapter 3-122, Subchapter 9, the Department requests sole source approval to purchase the following:

1. Description of goods, services, or construction to be procured:

Services include on-site evaluation of refuse truck loads that contain radioactive material, search and recovery of radioactive material from unloaded refuse and calibration of fixed and portable radiation detection devices.

2. Vendor/Contractor/Service Provider Name:

Gamma Corporation

3. Amount of Request:

\$ 35,000

4. Term of Contract: (Shall not exceed 12 months), if applicable

From: 8/18/2015

To: 8/17/2016

5. Prior Sole Source Ref No.

775

6. The good, service, or construction has the following unique features, characteristics, or capabilities:

Gamma Corporation is the only licensed health physicist in Hawaii with the capability to perform on-call, on-site identification of radioactive material. Gamma Corporation is the only licensed provider who has confirmed on-call availability.

7. How the unique features, characteristics, or capabilities of the goods, service or construction are essential for the agency?

Immediate identification and recovery of radioactive material is essential for compliance with Federal and State health and safety regulations.

8. Describe the efforts and results in determining that this is the only vendor/contractor/service provider who can provide the goods, services, or construction.

The State Department of Health was consulted for a listing of current licensed health physicists. Of the available physicists, only Gamma Corporation is able to provide on-call, on-site services.

9. Alternate source. Describe the other possible sources for the goods, services, or construction that were investigated but did not meet the agency needs.

Other physicists were sought; however, none were able to provide on-call, on-site services.
